Dear Veteran:

The San Bernardino County Superintendent of Schools, in partnership with the County of San Bernardino Department of Veterans Affairs, is pleased to announce the thirteenth annual San Bernardino County **Operation Recognition Veterans Diploma Project** - a nationwide effort to recognize men and women whose high school education was interrupted due to military service or internment in a Japanese American camp.

The Operation Recognition Veterans Diploma Project provides veterans and internees, who were unable to complete high school due to military service or internment, the opportunity to receive a high school diploma.

Veterans who served in and received an honorable discharge from World War II, the Korean War, or the Vietnam War; *or* individuals who were interned in a Japanese American relocation camp are eligible to participate. Applicants can also be surviving family members. The applicant must: be a current San Bernardino County resident; be able to provide verification of an honorable discharge or proof of internment; have been enrolled in high school prior to enlistment or internment. Lastly, the applicant must submit a complete application and supplementary documents by the deadline. There is no charge to participate.

The 2021 Operation Recognition Veterans Diploma Project Ceremony will take place on Tuesday, November 9th. Qualified applicants will be recognized at the ceremony and receive their high school diploma. To be considered for this year's recognition, applications must be submitted by **Monday, October 4th**. Applicants will be notified of their status by October 14th and qualified applicants will be provided with ceremony details.

For assistance with verification of military service and/or discharge papers, contact the County of San Bernardino Department of Veterans Affairs at 866.472.8387 or 909.387.5516.

California law (Education Code § 51440) authorizes the granting of retroactive high school diplomas to eligible veterans. Effective January 1, 2004, California Assembly Bill 781 was enacted as law (Education Code § 51430), specifically authorizing the retroactive granting of diplomas to persons whose internment by federal order in World War II prevented them from graduating from their home town high school.
